SISTERS OF NOTRE DAME DE NAMUR

together making a difference

Dear Friend,

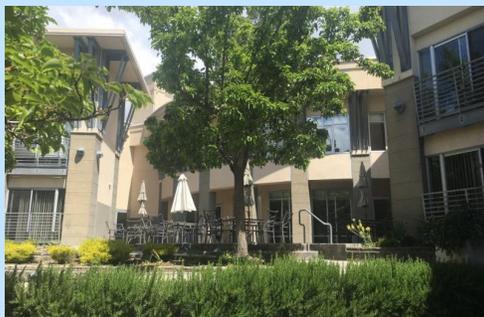

This week, we are celebrating the 15th anniversary of the opening of the Province Center and good memories of the recent Jubilee celebration. We are also looking forward to welcoming Sister Joan Burke home for a visit -- and finding a date when we can invite you to meet her and hear about her work in Kenya.

The Province Center in 2018, with 15 years of landscaping growth!

"All Are Welcome": Fifteen years and counting...

Some of you may remember the official opening of the Notre Dame Province Center on a very hot May 17th in 2003.

This anniversary is a perfect opportunity to thank again the many, many benefactors who contributed so generously to the building of this home for our older Sisters, a workplace for the staff, and a gathering place for the Notre Dame community.

If you haven't already visited the Province Center, we hope that you're able to join us for an upcoming event!

See or re-view the 2018 Jubilee Celebration!

On Sunday, May 13, Sisters, family and friends gathered to celebrate 50, 60 and 70 years as Sisters of Notre Dame de Namur.

To everyone's delight, Sr. Ann (Frances Ann) Stubbe was able to enjoy all of the

celebration, despite breaking her hip just a week prior to it.

Jubilarians (L-R) Ann Stubbe, Lynne Marie Knapp, Joan Panella and Christina Trudeau.

Coming soon: A visit from Africa

Sr. Joan Burke is a Bay Area native who has served for 50 years in Africa. Watch for an upcoming email with information about a day and time to meet with her and learn about her work with young adults in Kenya.
