SISTERS OF NOTRE DAME DE NAMUR

hearts wide as the world: together making a difference

Greetings!

We continue introductions to our 2017 Jubilarians, with **Sister Barbara (Andrea) Thiella**, who is celebrating 60 years as a Sister of Notre Dame this year.

In our next e-newsletter, we will focus on our two Sisters marking 70 years! And the celebration in Belmont on August 6 will recognize **all nine of these Sisters** who have dedicated a combined 550 years of service in living out the mission of St. Julie.

I'm also happy to share news of an important Notre Dame educational conference held here in Belmont this week. The Sisters are grateful to all who made this event such a success!

In Notre Dame,

US Notre Dame educators gather in Belmont

California was happy to host the 2017 Notre Dame Education Conference that was held in Belmont at Notre Dame High School this past week. Participants included 24 administrators from 13 Notre Dame schools across the country, and the director of Notre Dame Mission Volunteers. Speakers, lively group discussions, activities and reflection time sparked ideas for strengthening the core values of every Notre Dame school.
