SISTERS OF NOTRE DAME DE NAMUR

hearts wide as the world: together making a difference

Dear Friend,

You will probably know one or more of our Sisters who, on August 6, will be celebrating 50, 60 and 70 years of life as Sisters of Notre Dame. They share deep Notre Dame values and beliefs, but they have lived out their commitments in such inspiring and very diverse ways.

Beginning this week, our emails will give you a chance to meet or get to know them better. We'll start with [Sister Terry Davis](#), who is celebrating 50 years as an SND, and [Sister Jeanette \(Marie Pierre\) Braun](#), who is celebrating 60 years.

We'd love to hear your own stories about these Sisters, so do add a comment to the accounts of these Jubilarians.
