SISTERS OF NOTRE DAME DE NAMUR

*hearts wide as the world: together making a difference*

Greetings!

We continue our introductions to two more of our 2017 Jubilarians, with [Sister \(Marie\) Annette Burkart](#) and [Sister Nena \(Giovannina\) Fazio](#), They've both lived as Sisters of Notre Dame for 60 years embracing Notre Dame values and beliefs, but have done so in quite different ways. Do check out their webpages, because even if you do know them, you're likely to learn something new.

We also invite you to a prayer service on Monday at the Province Center in Belmont. The details appear below.

With gratitude for your friendship and for these Jubilarians,
